

MODEL PB24-255 P

POWER MOBILE BANK

**O
W
E
R**

* Forget about pushing to change banks in your cage. When break time comes, the window person simply turns a key, touches a button, and the unit glides out from its under-counter position, to be easily replaced by relief person's bank.

* Features infinite speed control, enabling the operator to drive through a main cage in a safe and controlled manner.

* Drives both forward and reverse.

* When in use under the counter, plug into a 110-volt outlet to keep fully charged at all times.

* Standard unit has one 4-1/2" drawer and a center pull-out shelf.

* Interior may be customized with additional drawers or shelves.

* When pocket door is activated, it fully seals and secures all interior contents.
