

SLIM LINE CHIP CABINET

MODEL CB-610C C
 CB-610D H
 CB-610E I
 CB-610F P

MAXIMUM SECURITY

Now you can instantly count chip inventory with no need to unlock **Reldom's** new chip cabinet. Hang it on the wall or store it on the floor. **Reldom's** unique new security rack occupies just 12.5 inches front to back. Lexan doors permit minute-to-minute observable contact; ideal for highest security system focus.

* Less than 12 inches deep to deter chip loss encountered in other general use products.

* Ultra-high strength Lexan doors with keyless super security push lock.

* Never needs re-keying when changing employees or due to key loss. Locks have removable keycodes for additional loss prevention.

* Multiple color match or coordinate with casino decor.

* One rack deep - up to 20 racks high.

* Uniquely carries Reldom's quality guarantee.
