Reldom's

POWER RIDER

When you need a riding unit, the Reldom Rider is the answer. Safely, efficiently permits casino personnel to tow hard-count, soft-count, bill validator and fill carts without any physical effort. Will tow 10,000 pounds in a carpeted casino environment. The easy to read gauge indicates available battery power to alert casino personnel when the built-in charger needs to be used.

FEATURES

- 36-volt power system
- 3 gel cell batteries shipped fully charged
- Separate forward and reverse switch for increased safety
- Variable speed control
- Regenerative braking system
