# Roll-UP Door™

Most **RELDOM** bill  
validator carts and soft  
count carts can be ordered  
with our new door

With the door open, it exposes  
the entire side of the cart, and  
totally disappears. A single high-  
security lock is all that is  
required to protect the contents.

SC149-S4 **I**  
SC-149 **L**

contents can be seen and  
numbers read with out the  
need to open the door.

Door is constructed  
from custom inter-  
locking aluminum  
extrusion with oval  
viewing portholes.
